PARK WIDE SALE

Although the weather was a little cloudy and chilly, the people came out one car after another to scout the bargains in Tippecanoe. Many compliments were received on the good traffic flow. Many compliments also received on the delicious sloppy joes at the clubhouse. Kudos to ALL volunteers in backing another successful park event.

IN REMEMBRANCE OF

Lillian Schisler
April 29, 1954—December 24, 2022

Lillian was a seasonal owner from Livonia, MI and enjoyed her time in Tippecanoe with close friends she had in the park. Lillian leaves a large family of 3 children and 12 grandchildren. Lillian was an accomplished tai Chia instructor and enjoyed working with senior citizens in this art. May the ones left behind always know how truly cherished they are, and may the radiant spirit of Lillian live deep within their hearts forever.

Pam spent later years in AZ and was employed there as a security guard. She is fortunate to have 2 sons, 4 grandkids and 1 great grand-daughter. Son and granddaughter live nearby and give much company to Pam. She enjoys reading and bingo. Welcome, Pam!

PHENOMENAL 2 LETTER WORD

I'm sure you will enjoy this. I never knew one word in the English language that could be a noun, verb, adj, adv, prep. **UP** Read until the end ... you'll laugh. This two-letter word in English has more meanings than any other two-letter word, and that word is '**UP**.' It is listed in the dictionary as an [adv], [prep], [adj], [n] or [v]. It's easy to understand **UP**, meaning toward the sky or at the top of the list, but when we awaken in the morning, why do we wake **UP**? At a meeting, why does a topic come **UP**? Why do we speak **UP**, and why are the officers **UP** for election (if there is a tie, it is a toss **UP**) and why is it **UP** to the secretary to write **UP** a report? We call **UP** our friends, brighten **UP** a room, polish **UP** the silver, warm **UP** the leftovers and clean **UP** the kitchen. We lock **UP** the house and fix **UP** the old car. At other times, this little word has real special meaning. People stir **UP** trouble, line **UP** for tickets, work **UP** an appetite, and think **UP** excuses. To be dressed is one thing but to be dressed **UP** is special. And this **UP** is confusing: A drain must be opened **UP** because it is blocked **UP**. We open **UP** a store in the morning but we close it **UP** at night. We seem to be pretty mixed **UP** about **UP**! To be knowledgeable about the proper uses of **UP**, look **UP** the word **UP** in the dictionary. In a desk-sized dictionary, it takes **UP** almost 1/4 of the page and can add **UP** to about thirty definitions. If you are **UP** to it, you might try building **UP** a list of the many ways **UP** is used. It will take **UP** a lot of your time, but if you don't give **UP**, you may wind **UP** with (**UP** to) a hundred or more. When it threatens to rain, we say it is clouding **UP**. When the sun comes out, we say it is clearing **UP**. When it rains, it soaks **UP** the earth. When it does not rain for awhile, things dry **UP**. One could go on and on, but I'll wrap it **UP**, for now . . . my time is **UP**! Oh . . . one more thing: What is the first thing you do in the morning and the last thing you do at night? **U P**! Did that one crack you **UP**? Don't screw **UP**. Send this on to everyone you look **UP** in your address book . . . or not . . . it's **UP** to you. Now I'll shut **UP**
